The "data_collection_permissions" property is missing.

Error: The "/browser_specific_settings/gecko/data_collection_permissions" property is required for all new Firefox extensions, and will be required for new versions of existing extensions in the future. Please add this key to the manifest. More information at: https://mzl.la/firefox-builtin-data-consent

manifest.json

Use of document.write strongly discouraged.

Warning: document.write will fail in many circumstances when used in extensions, and has potentially severe security repercussions when used improperly. Therefore, it should not be used.

prodigy.7d1f62f3.js line 1 column 5739

Unsafe call to document.write for argument 0

Warning: Due to both security and performance concerns, this may not be set using dynamic values which have not been adequately sanitized. This can lead to security issues or fairly serious performance degradation.

prodigy.7d1f62f3.js line 1 column 5739

declarativeNetRequest.RuleActionType is not supported

Warning: This API has not been implemented by Firefox.

static/background/index.js line 1 column 1922

declarativeNetRequest.RuleActionType is not supported

Warning: This API has not been implemented by Firefox.

static/background/index.js line 1 column 2138

declarativeNetRequest.HeaderOperation is not supported

Warning: This API has not been implemented by Firefox.

static/background/index.js line 1 column 2258

declarativeNetRequest.HeaderOperation is not supported

Warning: This API has not been implemented by Firefox.

static/background/index.js line 1 column 2347

declarativeNetRequest.RuleActionType is not supported

Warning: This API has not been implemented by Firefox.

static/background/index.js line 1 column 2602

declarativeNetRequest.RuleActionType is not supported

Warning: This API has not been implemented by Firefox.

static/background/index.js line 1 column 3122

Unsafe assignment to innerHTML

Warning: Due to both security and performance concerns, this may not be set using dynamic values which have not been adequately sanitized. This can lead to security issues or fairly serious performance degradation.

popup.bd88ab89.js line 17 column 145626

Unsafe assignment to innerHTML

Warning: Due to both security and performance concerns, this may not be set using dynamic values which have not been adequately sanitized. This can lead to security issues or fairly serious performance degradation.

popup.bd88ab89.js line 17 column 148478
